South Carolina Pipeline Corporation - )	
Application for Rate Increase )	

On November 22, 1989, the Public Service Commission of South Carolina (the Commission) received a Petition for a Waiver of R.103-801 S(1)(b) from Georgetown Steel Corporation (Georgetown), an Intervenor in the above-captioned docket. Georgetown states that Mr. Robert W. Perdue is licensed to practice law and is a member of the Bar in the State of North Carolina, the State of Maryland and the District of Columbia and is counsel to the law firm of Andrews & Kurth in Washington, D.C. Georgetown believes that Mr. Perdue is uniquely qualified to represent Georgetown in these proceedings. Mr. Perdue has represented Georgetown for over five (5) years. During that period of time, he has directly participated in rate proceedings and other matters concerning Georgetown before the Federal Energy Regulatory Commission. He is familiar with the Rules of Practice and Procedure of this

Commission. Georgetown believes that representation without local counsel will not serve to impair the interest to any party to this proceeding.

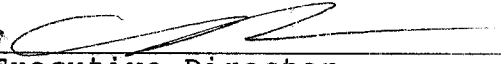

The Commission finds that Georgetown's request for a waiver of R.103-801 S(1)(b) should be granted for the purpose of this proceeding.
